

# Tuyo

La cifra estetica è la raffinata cura del dettaglio, la dichiarazione quella della pura libertà compositiva: un vero e proprio programma di letti contemporanei per la zona notte, con elementi che sanno abbinare ricerca di design, gusto sartoriale ed assoluto comfort. Maxi testiere da fissare a muro, realizzabili anche a misura, e basi letto in diverse altezze con la più ampia gamma di supporti, dalla rete a doghe ai piani ortopedici, ai sommier. Dalla costruzione delle basi, alla scelta dei materiali, alle impunture dei rivestimenti, Tuyo offre cura artigianale e qualità senza compromessi. A conferma dell'identità camaleontica e delle numerose possibilità di personalizzazione del letto Tuyo, questa collezione di letti, dal 2024, si amplia con la nuova testiera Curve e l'inedita trapuntatura Ball.

The aesthetic values of this collection are the care for details and the utmost compositive freedom: a program of contemporary beds combining design research with sartorial taste and absolute comfort. Maxi wall-mounting headboards, also customizable, and bed bases in different heights for the most ample range of supports - from slats, to orthopaedic panels and sommier. From the construction of the frames to the choices of the materials to the quilting of the covers, Tuyo offers the highest artisanal quality without compromises. From 2024, The Tuyo series adds the new Curve headboard and Ball quilting, underscoring and confirming the chameleon-like nature of the collection and its countless customization options.
