Turman

Eleganza e rigore, nel rispetto della tradizione: queste le parole chiave della linea, connotata dalla testiera capitonné in grado di arredare lo spazio con la forza impositiva del suo valore estetico. Turman è disponibile anche nella versione ‘low’ con testiera in altezza standard, senza però scendere a compromessi per quanto riguarda la preziosità della lavorazione artigianale.

Elegance and rigour respecting the tradition: these are the keywords for the Turman collection, characterized by the capitonné headboard which decorates and furnishes the space with the strength of its aesthetic values. The ‘low’ version presents the hand-made capitonné headboard but in standard height - without compromises for what concerns the precious artisanal workmanship.
