

Baco

Un must per il living d'atmosfera: un sistema di pouf di diverse forme, da giocare a piacere e comporre secondo un proprio codice personale. I pouf Baco sono piccoli arredi versatili in grado di creare differenti configurazioni e modificarle ogni volta attraverso semplici spostamenti, grazie al fissaggio con calamite. Moduli aggregabili e intercambiabili, pensati per annullare le distanze e creare nuovi spazi, per ambienti in movimento.

A must-to-have for the ambience living. It is a system of different-shaped poufs to freely combine according to the personal desire. Baco poufs are small and versatile pieces of furniture able to create different configurations and to modify them through easy changes thanks to the fixing by magnets system. Combinable and interchangeable units designed to reduce the distances and create new spaces for dynamic environments.
