

Vincent Open Air

Meridiani porta a esplorare inediti orizzonti di comfort e stile con Vincent, il nuovo divano Open Air firmato Andrea Parisio. Vincent è un prodotto outdoor realizzato attraverso l’incastro tra un elemento seduta dalle proporzioni generose con uno schienale costituito da una struttura in acciaio e un elemento imbottito che avvolge un tubolare in iroko. Il modulo base di Vincent costituisce l’elemento chiave del progetto: una “tessera” che può essere liberamente accostata per composizioni ampie o contenute, in linea o angolari, grazie anche al pouf e all’elemento trapezoidale, che offre maggiori possibilità di personalizzazione e configurazione. A completare la collezione, la chaise longue disponibile con seduta tonda o quadrata. Con la sua grande modularità e l’uso sapiente dei ricercati materiali, il divano Vincent si distingue per la sua estetica semplice ed essenziale ma dall’elevato comfort, delineando la tipica intimità di un ambiente indoor anche all’aria aperta.

Meridiani invites you to discover new horizons in comfort and style with the new Vincent Open Air sofa by Andrea Parisio. Vincent is an outdoor product made by interlocking two components: a generously proportioned seating and an upholstered backrest with a steel and iroko tubular frame. Vincent's basic module serves as the project's focal point: it is a "tile" that may be freely juxtaposed for wide or compact, in-line or corner compositions. The pouf and trapezoidal element further enhance customization and configuration options. The chaise longue, with its square or round seats, completes the collection. With its significant versatility and skilled use of valued materials, the Vincent sofa stands out for its essential design while providing exceptional comfort, evoking the typical warmth of an interior atmosphere even in the open air.

TECHNICAL DETAILS

- IT**
- elementi componibili sfoderabili
 - schienale e piastre in acciaio AISI 316
 - finiture:
 - verniciato a polvere poliestere white - brick - putty - micaceo
 - inserti schienale in massello di iroko
 - finitura:
 - iroko con vernice protettiva
 - cuscini in poliuretano a densità differenziate con fodera in tessuto tecnico idrorepellente
 - finitura con piping white - brick - putty - micaceo lavabile solo a secco
 - piedini regolabili
 - cuscini - optional - in microball 100% poliestere con fodera in tessuto tecnico idrorepellente

water proof cover

- cover protettive impermeabili realizzate con tessuto tecnico, su misura per ogni prodotto

EN

- modular units with removable covers
- backrest and plates in steel AISI 316
- finishes:
 - polyester powder coated in colors white - brick - putty - micaceo
- backrest insert in solid iroko wood
- finish:
 - iroko with protective varnish
- cushions in varied density polyurethane with water-repellent technical fabric
- cover with piping white - brick - putty - micaceo - dry cleaning only
- adjustable feet
- cushions - optional - in 100% polyester microball with water-repellent technical fabric

water proof cover

- protective waterproof cover made in technical fabric, customized for each product

DE

- abziehbare Anbauelemente
- Rücklehne und Platten aus Stahl AISI 316
- Ausführungen:
 - Gestell aus mit Polyesterstaub lackiertem Metall. Farben: White - Brick - Putty - Micaceo
- Rücklehneinsatz aus massiv Irokoholz
- Ausführung:
 - Irokoholz mit Schutzlack
- Kissen aus PU-Schäumen unterschiedlicher Dichte mit Futter aus wasserdichten technischen Textilien
- Kederbezug white - brick - putty - micaceo - nur Trockenreinigung
- verstellbare Füße
- Kissen - optional - aus 100% Polyester Microball mit Futter aus wasserdichten technischen Textilien

water proof cover

- Schützende wasserdichte Bezüge aus technischen Textilien nach Produktmaß

FR

- Éléments déhoussables et modulables
- Dossier et plaques en acier AISI 316
- finitions:
 - verni en poudre polyester couleur white - brick - putty - micaceo
- insert dossier en iroko massif
- finition:
 - iroko massif avec vernis protecteur
- coussins en polyuréthane à densités différenciées avec sous housses en tissu technique hydrofuge
- housse avec passepoil white - brick - putty - micaceo - nettoyage uniquement à sec
- pieds réglables
- coussins - optionnel - in microball 100% polyester avec sous housses en tissu technique hydrofuge

water proof cover

- housse de protection imperméable en tissu technique hydrofuge, sur mesure pour chaque produit

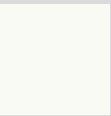

ES

- elementos modulares desenfundables
- respaldo y placas en acero AISI 316
- acabados:
 - barnizado en polvo poliéster color white - brick - putty - micaceo
- inserto respaldo de iroko macizo
- acabado:
 - iroko con barniz protector
- cojines en poliuretano con densidad diferenciada, con funda farro impermeable en tejido técnico
- funda con perfil white - brick - putty - micaceo - solo lavar en seco
- patas regulables
- cojines - opcional - de microball 100% poliéster, con funda farro impermeable en tejido técnico

water proof cover

- fundas de protección impermeable en tejido técnico, a medida para cada producto
