POLTRONA WOOD . ARMCHAIR WOOD P. 110

Zoe Open Air è una collezione di poltrone e divanetto caratterizzata dal sapiente abbinamento di materiali per l'arredo outdoor. Protagonista la corda in polipropilene, ispirata dalle funi utilizzate negli ormeggi delle imbarcazioni, sostenuta da una struttura in metallo verniciato: le quattro colorazioni disponibili la rendono sofisticata nella sua semplicità. Zoe Open Air ha la seduta imbottita e il prezioso intreccio realizzato interamente a mano, in due versioni, che anima lo schienale.

Zoe Open Air is a collection of armchairs and small sofa featured by the skilful combination of outdoor materials. The protagonist is a polypropylene rope, inspired by mooring ropes for boating, and supported by a painted metal frame: the four available colours make it sophisticated in its simplicity. Zoe Open Air has a padded seat and a precious hand-made weave, available in two versions, for the backrest.
